GameMonkey Script License Description

GameMonkey Script is free software, available for all uses including individual, academic and commercial. There are no costs involved whatsoever, and no GPL style "copyleft" obligations. Auran however retains copyright of the original source code. GameMonkey Script is licensed under the terms of the MIT license http://www.opensource.org/licenses/mit-license.html

These are the only things that must be done to use this code:

- If you distribute source code, it must include the full License below.
- If you distribute compiled binaries, then an acknowledgment must be made in the documentation such as *"Part of this software is based on GameMonkey Script."*
